STUDENT SUPPORT

DMU is a friendly and welcoming university that offers support, advice and guidance to exchange students whilst at DMU.

EXCHANGE STUDENT SUPPORT
We have dedicated staff within the Global Mobility Office (studentexchange@dmu.ac.uk), located in Portland Building, providing support before, during and after your time at DMU. In cooperation with the International Student Support Team exchange students can benefit from services such as international welcome week, airport pick-ups and a ‘buddies’ scheme which matches you with a current DMU student to help you settle in.

FACULTY SUPPORT
Each faculty has its own Student Advice Centre, the first point of call for all learning support enquiries. They help with printing and binding work, lending equipment and offer advice on IT software and e-learning resources. This is also where you hand in and collect coursework.

DISABILITY SUPPORT
We want students to have a high-quality experience and reach their full potential during their time at DMU. Our Disability Advice and Support (DAS) Team offers services tailored to the specific needs of students with physical and sensory disabilities, medical conditions and Specific Learning Differences (SpLD).

MENTAL HEALTH
We welcome students with mental health conditions and make every effort to deliver the support they need to reach their full potential. We ask students to notify our Mental Health Inclusion Team as soon as possible so it can help to manage and minimise the impact of any mental health difficulties on studies and also to guide students towards the many support services available.

RELIGIOUS SUPPORT
There is both a Christian prayer room and a Muslim prayer room (with washing facilities) on campus. Anyone can visit the chaplaincy for non-denominational religious support advice alongside spiritual, pastoral, moral and social care, to students of all faiths and none.
